DETAILED ACTION

Allowable Subject Matter

Claims 9-21 are allowed. The following is an examiner's statement of reasons for allowance:

The Examiner considers Patent Number 4,733,765 by Watanabe ("Watanabe") to be the prior art most closely related to the Applicant's claimed invention. Although the return cassette of Watanabe comprises return compartments 23 and 24 (see Figure 2) it fails to disclose or suggest said cassette positioned above a stacking mechanism, or a pathway configured to receive singulated notes and to convey said notes either to a lower compartment of said cassette or to a stacking mechanism based upon the acceptability of said notes as described in the Applicant's independent claim 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
